WOW HIGHLIGHT OF THE MONTH!

Knights of Columbus donates 48 winter new jackets to Precious Bundles!

The Bishop Norman Gallagher Council has for many years supported youth organizations and events that promote a healthy and active lifestyle such as cadets and basketball free throw competitions. When we saw the efforts of the Walk or Wheel Thunder Bay initiative in encouraging youth to be more active on their journey to and from school, and their partnership with Precious Bundles who are helping to provide much needed winter clothing for the youth in need in our community, we knew it was something we needed to support. Through a special purchase from the Knights of Columbus Coats for Kids program, our council is pleased to provide these new, 48 youth and teen size winter coats to Precious Bundles in support of their efforts and their partnership with Walk or Wheel Thunder Bay.

A shout out to the St. Francis Lions who, in an effort to raise awareness and funds for the Christmas Cheer Campaign, ventured out to the community to spread some holiday joy!

On December 8, students and staff began their "Jingle Bell Walk" through the school track and made their way through the neighbourhood - collecting money for Christmas Cheer while caroling.

NEW WOW SIGNS ARE HERE!

Best routes have been identified for St. Francis, St. Martin, Bishop Gallagher, Bishop E. Q. Jennings, Pope John Paul II, Sherbrooke and Claude E. Garton elementary schools!

The new design looks sharp and we look forward to getting the signs and routes out to the participating school communities so we can get more students walking or wheeling in 2022!

Extra layers need extra time!
